

PARTZSCH

WELCOME

- SHORT PRESENTATION -

Geschäftseröffnung!

Den Einwohnern von Döbeln und Umgebung gebe ich bekannt, daß ich an 1. Juli ein

**Reparaturwerk
für elektrische Maschinen u. Apparate**
eröffnet habe - Ich werde jederzeit für eine saubere und zuverlässige Arbeit bemüht sein

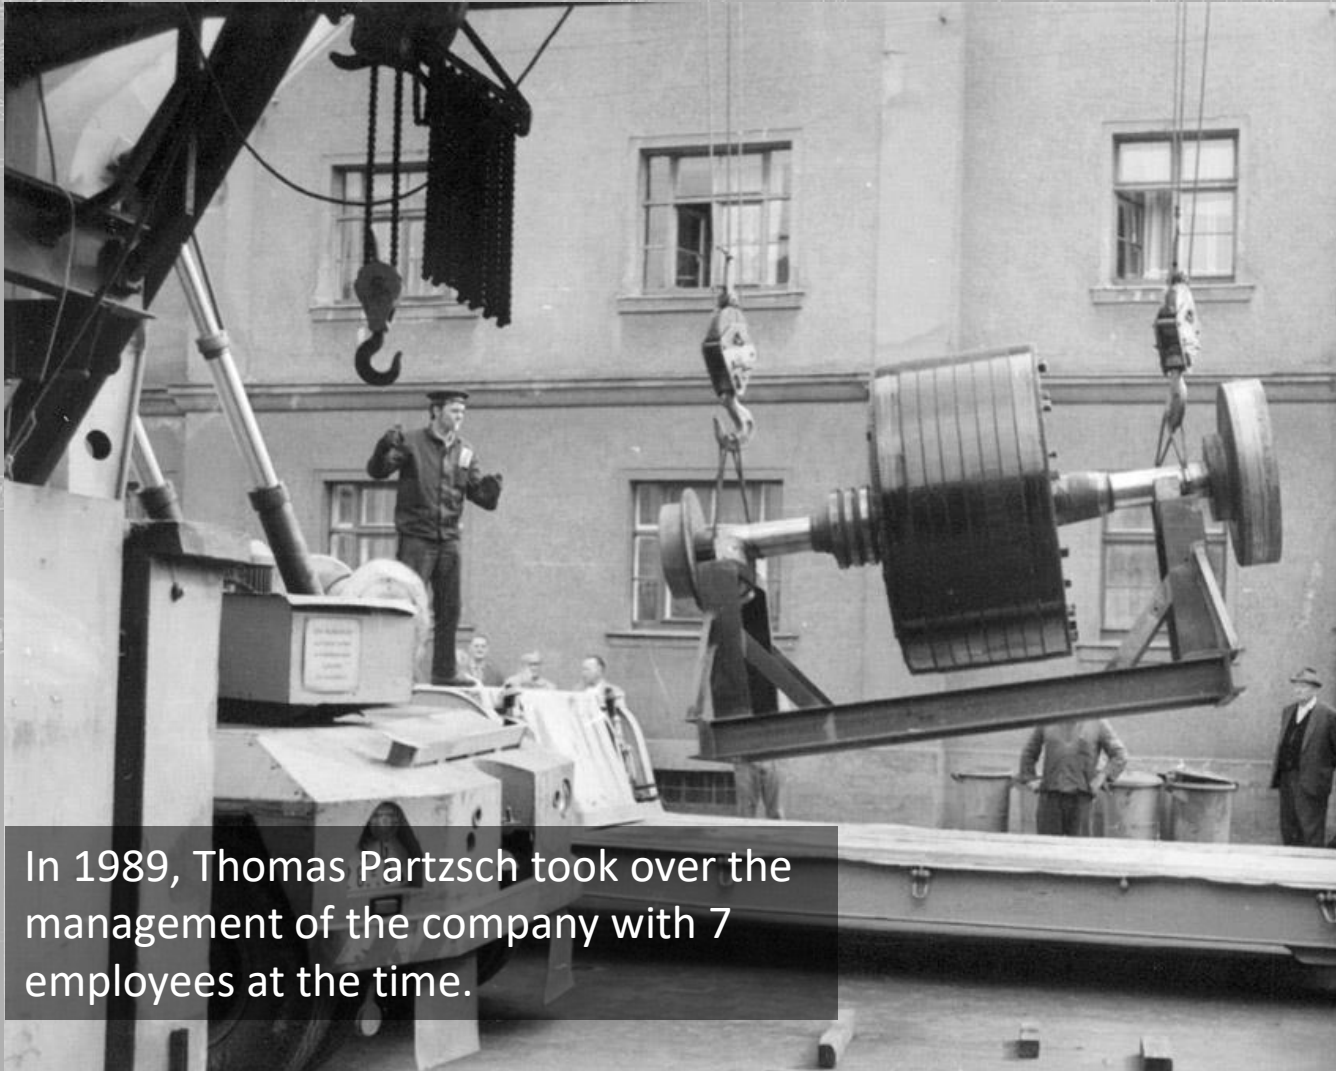

WERNER PARTZSCH

Elektro-, Installations- und Maschinenbauermeister

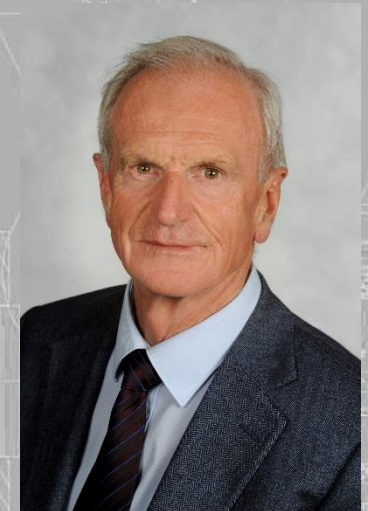

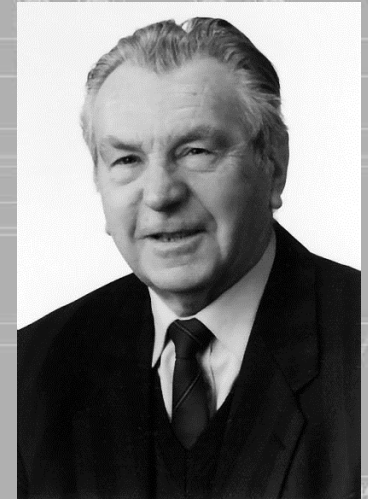

Döbeln, Leipziger Straße 1 - Fernruf 23 36

Business opening in 1954

In 1989, Thomas Partzsch took over the management of the company with 7 employees at the time.

HISTORY

PARTZSCH

Today, the small company has become Europe's largest manufacturer-independent repair plant with more than 600 employees and 40,000 m² of production space.
